

# KIDS AND DRUGS DON'T MIX

**Keep all drugs in a safe place  
away from kids**

**Get help if you're having  
trouble settling  
your baby**

**Don't fall  
asleep with your  
child especially  
when you've taken  
drugs or alcohol**

**Never EVER give  
your child  
methadone**

**METHADONE IS  
VERY DANGEROUS TO KIDS**

**If your child has swallowed methadone or is injured call 000 immediately**
