This is a print-friendly PDF generated from the DoCS Recruitment CD Rom.

The NSW Department of Community Services (DoCS) is the leading community services organisation in NSW and largest child protection agency in Australia.

Our team of nearly 4,000 staff work together to provide support and care to children and young people in NSW.

Our workforce includes many people from Aboriginal and culturally and linguistically diverse backgrounds, which enables us to better understand and meet the needs of our varied client base.

DoCS employs dedicated teams of skilled caseworkers, supported by teams of legal officers, psychologists and administrative staff.

Our vision is a NSW where families and communities value, protect and nurture children and young people. Our values are:

- integrity and excellence
- respect and trust
- openness and fairness
- teamwork

Our staff all have one thing in common, a desire to make a difference, through helping children, young people, families and communities.
